### Product Description

Loeb's Onion Crunch is a crispy, crunchy onion topping that delivers a delicious roasted onion flavor to enhance any meal occasion throughout the day, according to the maker. Made from fresh, sweet onions that are lightly fried in high-quality vegetable oil and seasoned, Onion Crunch is a vegan, kosher pareve condiment that is low in carbohydrates, low in sodium and has no cholesterol and zero grams of trans fat. Available in four flavors — Original, Bacon, BBQ and Chipotle — Onion Crunch can be a tasty new addition to convenience-store condiment offerings, the company noted. Onion Crunch is currently offered by major convenience store retailers including 7-Eleven Inc., QuickChek Corp. and Holiday Stationstores.
